## (1) First Account and Report of Conservator and (2) Petition for Allowance of Fees for Attorney

Age: 19 years		TIM COLLINS, father and Conservator of the Person and Estate, is Petitioner.		NEEDS/PROBLEMS/COMMENTS:	
DOB: 1/15/1992				Continued from 1/30/2012. Minute Order states Ms. LeVan advises the Court that she has almost completed the corrections to the accounting. Ms. LeVan requests a continuance.	
		Account period: 3/4/2010 – 3/31/2011			
Cont. from 081111, 092711, 102411, 121411, 013012		Accounting - \$214,899.55 ?

		Ending POH - \$178,789.44 ?			
Aff.Sub.		(\$56,017.94 or \$47,717.24 is cash?)			
✓	Verified	Conservator - not addressed		The following issues from the last hearing remain:	
✓	Inventory			1. Schedule C, Disbursements does not include any entry for the \$122,771.50 cash withdrawal dated 7/1/2010 which is indicated on the Bank of the West statement filed 6/24/2011. The schedule of disbursements should reflect the payment of this sum, which appears to be for purchase of a condominium for the Conservatee per Court authorization on 7/1/2010. Further, the Summary of Account is also inaccurate as it does not list this \$122,771.50 disbursement. (Note: First Account pleadings do not contain any narrative information regarding this condominium purchase for the Conservatee, nor the approved rental agreement and the \$850.00 rent the Court authorized to be charged; information has been obtained from previous pleadings filed with the Court.)	
	PTC	Attorney - \$4,000.00		2. Summary of Account lists cash assets on hand as \$56,017.94 while Schedule E, Property on Hand lists cash assets as \$47,717.24. Need correct amount of cash on hand at the end of the account period.	
	Not.Cred.	(per Declaration filed 6/24/2011; please see Note on additional page)		3. Schedule A, Receipts contains entry dated 1/19/2011 indicating an SSI check in the amount of \$13,280.00 was received. This amount appears to be incorrect, as the SSI check amounts in the receipts schedule are typically for \$1,328.00. Therefore, the total amount of receipts indicated in Schedule A, Receipts is incorrect (should be \$20,588.71) and the accounting does not balance.

4. *Petition* requests a flat fee of \$1,328.00, which is the amount of the Conservatee's monthly disability benefits, be allowed to be paid monthly to the Conservator for room and board and food, and therefore Petitioner "will not have to charge 25% of all expenses and will make the accounting process much easier." *Petition* does not explain this statement regarding charging 25% of expenses to the Conservatee, and it is unclear from the *Petition* whether the Conservatee resides with other household members requiring all expenses to be apportioned at 25% among them. (Conservatee is charged 25% of expenses for cable, cell phone, utilities, pool service, pest control, homeowner's insurance, gardening, electricity, etc.)
5. *Schedule A, Receipts* contains entries dated 10/4/2010 and 10/28/2010 for "deposit of rent check for condo" in the amount of \$850.00 each, and *Schedule C Disbursements* shows a deposit refund of \$300.00 was made on 12/13/2010 to the renter of the condominium. There are no prior entries for rent received (condominium was purchased in July 2010) nor any subsequent entries for receipt of rent for the condominium during this account period. *Petition* does not mention the Conservatee's condominium nor explain its current status. Court may require information as to the current rental status of the condominium and as to the lack of monthly rent receipts from November 2010 to the ending date of this account of 3/31/2011. *Schedule C Disbursements* shows the Conservatee pays \$199.00 in monthly association dues (totaling \$1,393.00 during this account period), \$586.00 in condominium insurance, and \$1,008.09 in property taxes, which now may be considered liabilities to the Conservatorship estate given that the property is not earning rental income; additionally, Conservatee expended \$800.00 on 12/22/2010 for condominium property management.
6. *Schedule C Disbursements* includes the following expenditures for which the Court may require explanation, justification, and further information:
  - \$200.00 cash withdrawal dated 10/12/2010 for which no purpose is identified;
  - \$1,116.54 dated 2/23/2010 for which no payee or purpose is identified;
  - \$5,982.02 in payments to GMAC Mortgage; *Petition* does not state whether these mortgage payments are for the condominium which Conservatee just purchased or for the Conservator's own mortgage, and if for the latter, whether Conservatee will have partial ownership in Conservator's residence for making a portion of such mortgage payments.
  - \$1,542.00 in payments to Toyota with the explanation of "25% of monthly transportation costs." It is unclear whether this refers to fuel expenses, or to purchase of a vehicle, and if for the latter, whether Conservatee has partial ownership in the vehicle for making such payments (*Schedule E, Property on Hand* does not list any interest in a vehicle as an asset of the Conservatorship);
  - \$6,187.04 in Costco expenses that are not apportioned at 25%; descriptions state food and supplies, sometimes designated "for Conservatee" and sometimes without such designation;
  - \$471.43 to Travelers Insurance for "home" - 25% of monthly charge (payments made to DiBudio & Defendis Insurance are designated as for the condominium);
  - \$105.00 in overdraft bank charges; it appears the Conservatee has paid these charges when he is not the person responsible for managing his money.
7. *Petition* does not address whether the Conservator is waiving commissions.
8. Need revised proposed order.

*~Please see additional page~*

## NEEDS/PROBLEMS/COMMENTS, continued:

Note: *Declaration of Attorney Nancy J. LeVan in Support of Request for Attorney Fees* filed on 6/24/2011 includes a fee itemization identified as *Statement Date 6/24/2011* totaling fees of \$4,690.00, which contains entries dated 7/30/2011, 8/2/2010 and 8/27/2010 for fees totaling \$440.00 that are identical in the fees charged and in the descriptions of services to the entries contained on Attorney LeVan's itemization identified as *Statement Date 8/27/2010* submitted in support of Attorney LeVan's *Petition for Approval of Rental Agreement* filed 9/8/2010; attorney fees of \$2,700.00 were granted to Attorney LeVan on 10/26/2010 in that matter covering these duplicate itemizations such that it appears these fees of \$440.00 have already been paid. Therefore, the total of the itemized fees for this account period should be \$4,250.00, and since Attorney LeVan requests due to the limited funds of the Conservatorship that she be paid only \$4,000.00 as compensation for her legal services, no deduction is necessary from the amount of attorney fees requested by Attorney LeVan for overpayment due to the duplicate entries.

Note: The *Petition* and the *Declaration of Attorney Nancy J. LeVan in Support of Request for Attorney Fees* filed on 6/24/2011 do not specifically request reimbursement of costs advanced for the filing fee of \$395.00; however, it appears this request is being made, as the amount of \$4,395.00 for legal services and costs is included in the proposed order.

6. Cost itemization includes \$784.32 in costs considered by the Court to be costs of doing business and not reimbursable pursuant to Local Rule 7.17, including:

- Fed Ex \$65.12
- Runner Services \$598.31

- Research \$106.89

7. Declaration of Angela F. Gerovac (Attorney Robertson's office) indicates that she had a telephone conversation in August with the Administrator during which he seemed agreeable; however, he then did not respond to letters.

The declaration states the office has not received any communications or returned mail indicating change of phone or address; however, the declaration also does not indicate any further diligence to contact the Administrator other than sending a letter and an email in August 2011 and another letter in October 2011.

The Court may require further diligence regarding the Administrator with regard to closing this estate and with regard to the attorney's request for withdrawal as attorney of record.

Points and Authorities**

**Petitioner requests (Continued):**

- Paragraph 2 of the Prayer found on Page 9 to the extent that the prayer requests that petitioner, as Trustee of the Trust, return all withdrawals or transfers to the Trustee, personally or to other immediate family members of the Trustee, with legal interest charged thereon to the extent that such transfers or withdrawals occurred prior to the death of Julia Hagopian on 5-12-10;
- Paragraph 3 of the Prayer found on Page 9 to the extent that the prayer requests that objector's objections pertain to the trust assets and activities of the trustees prior to the death of Julia Hagopian on 5-12-10;

**Petitioner states this motion is made on the grounds that the above cited portions of the objections are irrelevant and improper because they refer to matters occurring prior to the death of Julia Hagopian on 5-12-10, which are not accounted for in the First Account, and on the further grounds that under California statutory and case law, objector has no standing to seek an accounting of the trust for the period beginning 4-24-04 through 5-12-10.**

**Memorandum of Points and Authorities in Support of Motion to Strike states** the Motion to Strike should be granted. The Court may, upon a motion made pursuant to C.C.P. § 435, or at any time in its discretion, and upon terms it deems proper, strike out any irrelevant, false, or improper matter inserted in any pleading. *C.C.P. §436(a)*. Moreover, a Motion to Strike can be used to attack the entire pleading, or any part thereof-even single words or phrases. *Warren v. Atchison, Topeka & Santa Fe Ry. Co. (1971) 19 Cal.App.3d 24, 40.*

The above-cited portions of the objections that petitioner wants stricken are subject to a motion to strike because they are irrelevant and improper objections in that said portions refer to trust assets and activities of the trustee that existed and occurred prior to the death of Julia Hagopian on 5-12-10 and are not part of the accounting.

Furthermore, as set forth in Petitioner's *Memorandum of Points and Authorities in Support of Motion for Judgment on the Pleadings* dated 1-20-12 and filed in 11CEPR00181, objector has no standing to receive any information or to an accounting of the trust from 4-26-04 through 5-12-10, the date of Julia Hagopian's death.

Therefore, any objections based on trust assets or activities of the trustees prior to 5-12-10 are irrelevant and improper to challenge the accounting filed by Petitioner and should be stricken.

**Petitioner Requests the Court take Judicial Notice of the Memorandum of Points and Authorities filed 1-20-12 in 11CEPR00181.**

Conservator (Prob.C. 3200)**

Age: 64 years		<p><b>SANDRA BETENCOURT</b>, on behalf of <b>COMMUNITY REGIONAL MEDICAL CENTER</b> ("CRMC") is petitioner.</p> <p><b>Petitioner states</b> she is the Care Coordinator (Social Worker) for the 2C Med-Surg Unit of CMRC, the health care facility in which <b>PRISCILLA WIGGINS</b>, (the "Patient") is located.</p> <p>The Patient is an adult person for whom no conservator is currently appointed.</p> <p>The Patient is in need of medical treatment and is currently an in-patient at CRMC. The Petitioner in consultation with the Patient's physicians recommends the removal of a large uterine sarcoma (cancerous fibroid).</p> <p>The nature of the medical condition of the Patient which requires medical treatment is: large, painful, ulcerating growth that if left untreated will most likely become septic.</p> <p>The probable outcome of the above described medical treatment: will relieve Patient's discomfort, prevent death from sepsis, and allow the Patient to be discharged to a facility where she can obtain an appropriate level of care.</p> <p>The available alternatives to the above medical treatment is: leave the mass, which will continue to ulcerate, eventually become septic, which would continue to prevent her from being safely discharged from Petitioner's acute care facility.</p> <p>Petitioner states she and numerous other members of the health facility have made numerous efforts to obtain the informed consent of the Patient, but Petitioners cannot obtain the informed consent from the Patient because of Patient's mental health status. Specifically, Patient cannot participate in a decision about the recommended health care due to her ongoing lack of rational thought process as a result of her mental health condition.</p> <p>Petitioner has been unable to locate any friends or relatives of the Patient to obtain the consent on her behalf.</p> <p align="center"><i>Please see additional page</i></p>	<p><b>NEEDS/PROBLEMS/COMMENTS:</b></p> <ol style="list-style-type: none"> <li>1.
